Descripción del evento

Join us for the 22nd edition of this showcase of the best of Spain's rich, vibrant and vital films - seen first on the big screen at the Egyptian Theatre in Hollywood.

Over twenty years ago, the American Cinematheque, in association with the

Spanish Ministry of Culture, began importing the best and brightest of Spanish cinema to Hollywood with its "Recent Spanish Cinema" film series. The annual festival has exposed countless Angelenos to Spanish culture, from art and music to food, fashion and more.
