POSTED BY NALIP ON OCTOBER 20, 2017

Below are some exciting Film Festivals coming up in the next few weeks!

### RECENT SPANISH CINEMA - OCTOBER 19-22

Since 1994, the Recent Spanish Cinema Series has been presenting the most outstanding current Spanish films. The Series is a Seventh Art showcase of Spain's top cinema personalities, who have contributed significantly to putting "Made in Spain" productions in the vanguard of international filmmaking.

The Recent Spanish Cinema Series is an initiative of the Spanish Institute of Cinematography and Audiovisual Arts (ICAA), a branch of the Spanish Ministry of Education, Culture and Sport devoted to preserving, fostering, and promoting the Spanish filmmaking and audiovisual sectors, with the American Cinematheque, a non-profit cultural organization in the heart of Hollywood dedicated to public presentation of films of yesterday and today beyond the scope of the big, mainstream productions and EGEDA US, the US- based Iberoamerican Audiovisual Producers' Association who serves as a link between the US Film industry and those of Spain and Latin America.

The Recent Spanish Cinema Series is a great annual opportunity in the LA-area, and a unique one for West Coast film fans, to see the USA debut of numerous top Spanish-produced films.
